Claimant(s): Catherine Glynn

**ORDER SETTING A NEW DEADLINE FOR FILING *INTER SE*
OBJECTIONS TO THE JUDGMENT IN THIS SUBFILE**

This Subfile is before the Court on the Special Master's Report Recommending That the Court Set a New Deadline for Filing *Inter Se* Objections to the Judgment in this Subfile, filed March 6, 2018

In his report, the Special Master informed the Court that, although a judgment in this subfile was entered on April 13, 2015 (the "Judgment"), prior notice of the deadline for filing *inter se* objections to the Judgment was not provided to water rights claimants in strict accordance with the procedure specified in Paragraph F of this Court's Procedural Order Governing Expedited *Inter Se* Adjudication of State Law Water Rights, filed April 22, 2014 (the "Procedural Order"). The Special Master recommends that a new deadline be set for filing *inter se* objections and that, if any objections are filed, the Court conduct a hearing to determine whether the Judgment should be vacated because of a clerical error, as authorized by Rule 1-060.A.

After considering the Special Master's Report, the Court orders that:

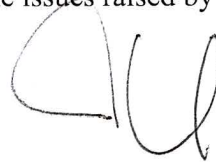

1. The Clerk shall post this Order and the Judgment on the Animas Underground Basin Adjudication website, on the webpage entitled “Proposed Subfile Judgments Awaiting *Inter Se* Objections”

2. The Clerk shall give notice of the posting of this Order and the Proposed Judgment on the website in the Monthly Adjudication Report as required by Paragraph F of the Procedural Order.

3 Any water rights claimant who wants to file an *inter se* objection to, or participate in a proceeding to resolve an *inter se* objection, shall file the *Inter Se* Notice required by Paragraph F of the Procedural Order within forty-five days after the notification first appears in the Monthly Adjudication Report that the Judgment and this Order have been posted on the Website.

4. If an *Inter Se* Notice is filed within the required time, the Court will conduct a hearing to (a) determine whether the Judgment should be set aside on account of a clerical error and (b), if appropriate, set a schedule for resolving the issues raised by the *Inter Se* Notice.

IT IS SO ORDERED
